1. **Call to Order. Roll Call. 7PM – Full committee present**
2. **Pubic Comments on Non-Agenda Items**
 1. Jon discussed Hard Rock 5k and street closures.
3. **Discussion and Possible Action On:**
 1. **Street Safety on Gainsborough between Vermont and Hillhurst.**
 1. Courtney discussed the multifaceted problem. Gainsborough is part of the cut through. On Greek Theater nights, there is only enough room for cars to drive one at a time. It's a blind corner and two cars can come directly at each other. Bad during rush hour because of Waze app. Brought to Courtney via phone call (Stakeholder Bruce Kates) with an incident between an older couple and some young people that almost became a physical fight. People, not at the meeting, get heated over parking and traffic.
 2. **Resolutions:**
 1. Webmaster makes poll on greek traffic
 2. Courtney talks to officer Reyes about possible enforcement
 3. Add agenda item for data on enforcement/ speed/ speed surveys in area.
 2. **Way-finding Signage**
